

“from conducting the November 2018 general election and the related December 2018 runoff election through direct recording electronic (DRE) voting units for in-person voting.” [Coalition Pls.’ Motion, Doc. 258 at 1].

2. On August 8, 2018, the Curling Plaintiffs also filed a Motion for Preliminary Injunction [Doc. 260], asking the Court to prohibit Defendants “from conducting the November 2018 general election and the related December 2018 runoff election through direct recording electronic (DRE) voting units for in-person voting.”

3. As agreed by the parties [Doc. 261 at 1], this Response is to both groups of Plaintiffs’ motions.

4. The Fulton County Defendants, therefore, request that they be given a page extension of the page limit for briefs (allowing the filing of a response brief not to exceed 25 pages) so that they can adequately address the legal grounds for denial for each of the different claims set forth in both motions.

A proposed Order is attached for the Court’s convenience.

For the foregoing reasons, the Fulton County Defendants respectfully request that this Court grant their Motion to File a Brief in Excess of Twenty-Five Pages and Up to and Including Thirty Pages.

Respectfully submitted this 14th day of August, 2018.
